

There's a lot on offer and one place to find it all.

New Zealand, two islands, 21 District Health Boards and a multitude of opportunities for **House Officers** and **Registrars**. www.newdoctors.co.nz is your 'first-stop' if you are a looking for work anywhere in New Zealand.

As a national site representing every DHB in the country it contains accurate vacancy and employment information for all New Zealand's hospitals for you to find the job you desire. It provides easy to follow links for your job application as well as important information about the recruitment process, Medical Council Registration, Work Visas and other Employment Conditions.

We know you are busy, so make this your first stop and save yourself some time to spend on other things...like sleeping and eating.
